SUBJECT SAAD Oil, Rutherford Co. TN John Lyons FTS 854-6241			
<b>SUMMARY OF COMMUNICATION</b>			
<p>Spoke with John Lyons of HUD in Knoxville concerning assistance to people drinking contaminated water from wells in Rutherford County. The status of financial assistance to build connections to the utility district in the area is as follows: HUD will write either the county or utility district requesting that the following be complied with:</p> <ol style="list-style-type: none"> <li>1. Letters from outside authorities describing imminent public health hazard</li> <li>2. Letter from the county requesting assistance</li> <li>3. Letter confirming cooperation between county and utility district</li> <li>4. Agreement letter from FHA for matching money</li> <li>5. Indication no other funds are available</li> </ol> <p>EPA will receive a copy of HUD's letter</p>			
<b>CONCLUSIONS, ACTION TAKEN OR REQUIRED</b>			
<p>When we receive HUD's letter, EPA may want to declare the Saad Oil Site as presenting an imminent &amp; substantial hazard to public health. This will take care of one of the five conditions for obtaining the necessary money to supply the area with potable water.</p>
